

United States of America (1847-)

Republic occupying the central portion of North America, along with Alaska, Hawaii and a large number of island possessions in the Caribbean Sea and the Pacific Ocean. The United States was formed from the union of the 13 British mainland North American colonies south of Canada in 1783, after an eight-year war against Great Britain. During 1803-53, the United States expanded rapidly westward, increasing its territory through conquest, purchase and negotiation. Alaska was purchased from Russia in 1867, and in 1898, Hawaii was annexed, at the request of its inhabitants. In the following year, Puerto Rico, Guam and the Philippines were acquired from Spain, following the short Spanish-American War.

 American Presidents

PRESIDENTS AMERICAINS

Robert Edward Lee

Le onzième président des Etats-Unis d'Amérique se nomme James Knox Polk, et souhaite dès son arrivée au pouvoir, régler les problèmes territoriaux avec le Royaume-Uni et le Mexique.

Il restaure un budget fédéral indépendant durant son mandat, mais malgré une grande popularité, il n'abordera jamais le grand problème de l'esclavage.

Colonel James Duncan

REPUBLIQUE DE GUINEE
Office de la Poste

James Knox Polk (1795-1849) - onzième président des Etats-Unis

11ème président des Etats Unis (4 mars 1845 - 4 mars 1849)
