SOLOMON ISLANDS * 1908 | 1983

The above reproduction marks the 75th Anniversary of Crown Agents' involvement in Solomon Islands stamps. In 1908 the 'Small Canoes' set of eleven stamps was released. The paper used embodied one of the earliest examples of the now famous CROWN AGENTS WATERMARK. The original stamps were printed by Thomas de la Rue in a size approximately 20 x 24mm. The issue was highly popular and successful: it was not fully replaced until 1914.

1983 coincidentally marks the 150th Anniversary of the Crown Agents who, over the years, have rendered many other services to the Solomon Islands, such as recruitment of Officials; banking and investment; engineering consultancy and stores procurement; hospital and medical services. Today the Crown Agents are still very much involved with the design and production of postage stamps for many countries. But few of these can trace their direct association back as far as 1908.

SOLOMON ISLANDS * 1907 | 1984

U.P.U. XIX CONGRESS
HAMBURG 1984

The two designs issued by Solomon Islands are popularly referred to as the 1907 'Large Canoes'. They were based on a drawing by Mr Charles Woodford, Resident Commissioner, and were an instant success. Unfortunately their colorings did not comply with prevailing regulations of the Universal Postal Union and, in 1908, the 'Small Canoes' issue, reproduced above replaced them.

The paper used possesses one of the earliest examples of the now famous Crown Agents Watermark, the Multiple-Crown, C.A. sideways. The stamps were printed by Thomas De La Rue.

1984 is highly significant for Solomon Islands as the nation has obtained full membership of the Universal Postal Union with effect from 1st January. As evidence of the nation's commitment to the ideas of the Union, two delegates will, for the first time, attend, and participate in, the U.P.U. XIX Congress in Hamburg in June.
